## Kent Apartment Fire

**Kent, Wash. - February 11, 2016** - Four people have been displaced following an apartment fire in the 1600 block of Maple Lane.

The resident of the unit where the fire started called 911 at 11:33 AM, reporting that her entire apartment was on fire. When firefighters from the Kent RFA and Valley Regional Fire Authority arrived, they found smoke coming from a second story apartment.

A quick attack on the fire kept it to the one unit, though there was some water damage in the first floor unit as well. Residents of both units have been displaced due to the power being shut off to the apartments. Red Cross is assisting.

The resident who initially called 911 was sent to a local hospital as a precaution due to injuries suffered in the fire.

The fire is currently under investigation.
