Mobile Home Fire

Kent, Wash. - July 3, 2016- A mobile home fire in the 24400 block of 64 Ave. S. is under investigation this afternoon.

The fire was first reported at 1:38 pm, and firefighters from the Kent Regional Fire Authority responding to the call could see a large black column of smoke from several blocks away. When they arrived, they were informed that no one was home, but that there was a dog inside. It took firefighters 15 minutes to fully extinguish the fire which had burned through both sides and roof of the mobile home.

A search confirmed that no one was home. The body of the dog was found in a back bedroom.

Because of the amount of damage to the home and the fact that the occupants have not arrived at the scene, the investigation may be prolonged.

In addition to the Kent RFA, King County Medic One, Kent PD, and the Zone 3 Rehab One unit also responded to the fire.
