Trailer Fire Endangers Home

Covington, Wash. - August 8, 2016- A fire in a trailer very nearly spread to a house this afternoon in the 19000 block of SE 266 Street.

Firefighters from the Kent RFA and Maple Valley FD were dispatched to the Timberlane area at 2:19 pm after callers reported a trailer on fire next to a house. When firefighters arrived they found heavy smoke coming from the trailer that was parked within one foot of the home's eaves.

Firefighters worked to protect the house and keep the flames from spreading. The heat from the trailer was intense enough to melt the siding on the house.

Although the trailer was gutted by fire, no flames entered the main home.

The fire is under investigation and there were no injuries.
