## Apartment Complex Fire

**Kent, Wash. - September 26, 2016** - At approximately 1:15 AM this morning fire crews from Kent and Valley Regional Fire Authority were dispatched to a fire in a fourplex on Kent's Maple Lane.

The fire appears to have started on a second floor balcony of the two story building. At this time the fire is still under investigation and no estimate of the loss has been made.

The firefighters arrived on scene to find a fully involved structure fire. Fortunately they were able to quickly contain the fire to limit any further damage.

All residents were able to safely escape on their own and no firefighters were injured in tonight's ordeal. Red Cross is assisting the residents with housing and all of their other immediate needs.
