## LEPC Meeting Notification

Kent, Wash. - October 15, 2015- The Local Emergency Planning Committees (LEPC) of Kent, King County and Seattle are combining annual meetings. This joint meeting will be held on Thursday November 5<sup>th</sup>, 2015 from 1:30 to 3:30 p.m. at the King County Regional Communications and Emergency Coordination Center, 3511 NE 3<sup>rd</sup> St. Renton, WA, 98056.

The Emergency Planning and Community Right-to-Know Act of 1986 established requirements for Federal, State, and local governments and industry regarding emergency planning and "community right-to-know" reporting on hazardous and toxic chemicals. The community right-to-know provisions help to increase the public's knowledge and access to information about the presence of hazardous chemicals in their communities and releases of these chemicals into the environment.

The Kent/King County/Seattle LEPCs are committed to joining with business partners and first responders to improve chemical safety and protect public health, the environment and our community.

For more information please contact:

Kent Office of Emergency Management at 253-856-4440
