

Serving the Cities of Kent, SeaTac, Covington, and King County Fire District 37

Professionally and Compassionately Helping People

Kent, Wash. - October 8, 2016 - At approximately 5:15 this afternoon fire crews from Kent and Valley Regional Fire Authority responded to a residential fire in the 27500 block of 118th Ave SE in Kent. The first arriving crews found smoke coming from the eaves and roof of the occupied home. They were quickly able to access the attic and extinguish the fire.

The resident noticed the smoke and called 911. His early 911 call helped to limit the damage to the home. Neither the resident nor any firefighters were injured this afternoon.

The fire was caused by an overloaded electrical circuit and is estimated to have caused approximately \$60,000 in damage.
