Toys for Joy Returns

Helping those in need during the holidays

Kent, Wash. - November 16, 2015- The Kent Regional Fire Authority, Kent Firefighters Local 1747, and the Kent Firefighters Foundation proudly announce the kick-off of this program that supports the less fortunate in the community.

Toys for Joy is an annual event where new, unwrapped toys are collected, sorted, wrapped, and delivered to local food banks and outreach programs for distribution to needy families in our community. In addition to toys, non-perishable food and monetary donations are also accepted.

2015 has seen an upturn in the economy, but there are still many families in need. Some families have to dedicate their money to the basics in order to survive and do not have the finances to buy gifts during the holidays. The Toys for Joy program was created to help these local families.

Toy wrapping parties* are scheduled for December 9th and 18th at 6:00 pm and are open to the public. The media is invited to cover these events which are attended by groups and individuals from throughout south King County. Last year the public wrapped over 6,000 gifts.

Toy collection barrels will be at the following locations beginning November 23rd:
