### **Homes Damaged by Fire in SeaTac**

SeaTac, Wash – August 19, 2018 – Two mobile homes were damaged this afternoon when a brush fire spread to the residences in the 20400 block of International Boulevard.

The fire was first reported 6:17 pm, and quickly grew to a three-alarm fire. This brought firefighters from several south King County departments and over a dozen fire engines and ladder trucks. The resources were necessary to battle the two house fires, as well as the brush fire.

Both homes suffered significant smoke and fire damage, but firefighters were able to protect the other homes in the neighborhood.

Two people were transported to local hospitals for issues related to the incident. Neither is life-threatening.

Red Cross is assisting both families displaced by the fire.

This fire put a strain on regional resources, because a multi-alarm brush fire was also being fought in the Covington area, near Highway 18. Puget Sound Fire is grateful to our neighboring departments for their support and assistance today, and every day.

The SeaTac fire is under investigation.
