FOR IMMEDIATE RELEASE

Operation Warm

A warm child is a healthier and happier child

SeaTac, Wash – October 9, 2018 – The media is cordially invited to join local firefighters for Operation Warm.

Operation Warm ([Operation Warm and Firefighters](#)) is a national program that local fire departments participate in, aimed at supporting our community by providing new coats for young children in local schools.

Children without a warm coat are sick more often and miss more days of school than other children. Also, a new coat of their own gives a child a sense of pride and ownership. For some of the children we provide a coat to, it's the first new one they have ever had.

The firefighters from five fire departments will be at this event:

Port of Seattle Fire

Puget Sound RFA

Renton RFA

South King Fire and Rescue

Tukwila Fire

So please join us for Operation Warm:

Date: October 11, 2018

Times: 10:15 am and 1:00 pm

Location: Valley View Early Learning 17622 46 Ave, S. SeaTac

We will be handing out more than 300 coats at this event. All coats were provided by firefighters and through the generous donations of local businesses.
