Mobile Home Fire

SeaTac, Wash – December 5, 2018 – An abandoned mobile home caught fire in the 20400 block of International Blvd. this morning shortly before 8:00 am.

When firefighters arrived, they found black smoke coming from several points in the home. Because a vehicle was parked close to the home, firefighters quickly went inside in case someone living there was trapped or unable to get out.

No one was found after two searches. Per neighbors, the home was unoccupied, though transients may have been using it.

The fire is currently under investigation.
