FOR IMMEDIATE RELEASE

Puget Sound Fire Administration Relocation

Kent, WA – October 2, 2024

Our recently completed Strategic Plan will guide the Puget Sound Regional Fire Authority through 2028. The six strategic initiatives for Puget Sound Fire are:

1. Investing in our people and our future.
2. Enhancing operational capabilities.
3. Strengthening our culture
4. Transforming our business practices.
5. Investing in our infrastructure.
6. Connecting with our communities.

Our vision is effective and sustainable fire and EMS services that maximize the resources entrusted to us. To be sustainable, our Executive Leadership Team has worked closely to modernize the business side of the organization. The final step in our business transformation is occurring today with moving Fire Administration of Puget Sound Fire from Fire Station 74 on the east hill of Kent to the 84th Avenue Business Center in the Kent Valley. The 84th Avenue Business Center is located at 20811 84th Avenue South and is large enough to house the executive leadership team, including the entirety of the Business Services Unit, which includes Finance, Human Resources, Information Technology, and Strategy, Planning & Accreditation unit. Puget Sound Fire's Community Relations Division, and the South King County Fire Training Consortium is also located at the 84th Avenue Business Center.

If you need to visit Fire Administration, please enter through the main entrance, which is located on the east side of the building, by the flagpole, along 84th Avenue. You may still visit Fire Station 74 for blood pressure checks.

Fire Administration's new mailing address is 20811 84th Avenue South, Suite 106, Kent, WA 98032.

The efficiencies created by this change will support both our effectiveness in serving you, and our sustainability throughout this Strategic Plan period.
